Mr. Sykes's Foxy Quiller was an entirely new character to the comic opera world. The impression was so strong that it did not disappear in his sub-Dragoons" and "Chris and the Wonderful Lamp." Klaw & Erlanger then ordered a new opera in which the central character should be Foxy Quiller, and this Messrs. While life lasts, while there is a spark of vitality which love's labor may fan into a flame, she toils untiringly for the child she brought into the world. And sometimes where the doctors fail the mother succeeds.

She has no prejudices. Any means she will use which will save her child. The mother's prescription given below is a case in point. Her daughter was given up by physicians as suffering from an incurable disease, called "wasting of the digestive organs." The mother pre scribed Dr. Pierce's Gold en Medical Discovery and " Favorite Prescription,' and had the happiness of seeing her daughter restored to perfect

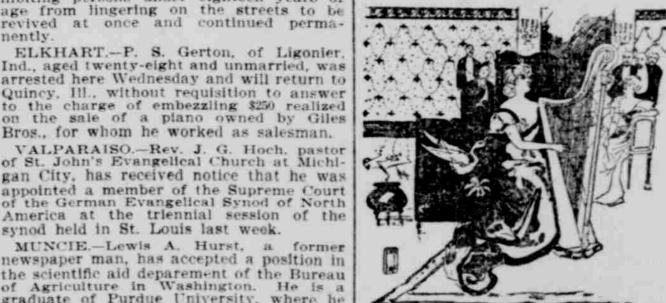

health. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of di-

gestion and nutrition. It is a nervenourishing, flesh-forming medicine making new blood and new life, "Golden Medical Discovery" contains no alcohol and it is absolutely free from

opium, cocaine and all other narcotics.

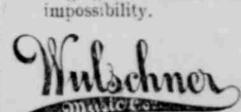

It is a true temperance medicine. "My sister (of Arlington, Washington Co. Nebr.,) was taken very sick and had several doctors," writes Mrs. C. L. Harrison, of Elk City, Douglas Co., Nebr. They could not do her any good, and told my mother they would not come any more, as no doctor could help her, that she could not get well. She had 'wasting of the digestive organs.' My mother said to my sister. Well, I almost know that Dr. Pierce's medicines will cure her.' So she bought six bottlesthree of 'Golden Medical Discovery' three of Favorite Prescription,' and some of the 'Fellets: and now my sister is a well woman.

"We thank you for your medicine." Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
